**Today being November 30th**, would be the Feast of Saint Andrew, except it is transferred to tomorrow since the First Sunday of Advent takes precedence. Nonetheless, today begins the "Saint Andrew Christmas Novena" a short prayer recited fifteen times daily until Christmas Day. It is piously believed that whoever recites the prayer will obtain the favor requested:

***"Hail and blessed be the Hour and Moment in which the Son of God was born of the Most Pure Virgin Mary, at Midnight in Bethlehem in piercing cold. In that Hour, vouchsafe O My God, to hear my prayers and grant my petitions through the merits of Our Savior, Jesus Christ, and of His Most Holy Mother. Amen."***

Imprimatur: +Michael Augustine, Archbishop of New York, February 6, 1897.

**"That which was effected at Christ's birth** was altogether unique: it was the birth of the God-man. The three Persons are one in the same divine nature, and yet all three Persons were not made man, but only the Son, who became man in such wise that He did not cease to be God nor did His divine nature blend with His human nature. Rather, He was the same Person but had two distinct natures, one divine and the other human. Moreover, the God-man was not fashioned from clay as was the first man. He was formed of the immaculate blood of the most pure Virgin, without stain or injury to her purity and virginity. The Son of God in His human nature was of the lineage of Adam, but He did not incur the sin of Adam. His flesh was formed from her blood and this flesh was fashioned into a human body with all its members and organs. A human soul, endowed with intellect and will, was infused into this body, and to this soul and body the Person of the Son was united..." ~ Fray Luis de Leon, O.S.A.
